

Beautiful timber tables...

*Family and friends...
the most valuable thing we have.*

There's no better way to build relationships than getting together with great food, fine wine and plenty of time for conversation. And what better place than around a beautiful timber table.

Reflecting the splendour and diversity of our ancient landscape, timbers such as River Red Gum, Red Stringy Bark and Myrtle, all robust in character and generously figured, are lovingly crafted into our hand polished timber tables.

Not a luxury – simply one of life's essentials!
