

# Beautiful timber tables...

It's a wintery Saturday evening, dark outside and chilly. Inside, gentle trumpet riffs lift the mood. The log fire, glowing in the hearth, crackles out of time with the music. The heady aromas of slow cooked shanks mingle with the floral bouquet of the Peninsula Pinot, just opened, teasing at your senses. The family are gathering for the usual 'get together,' settling around your beautiful timber table, the natural beauty of the richly figured timber always inspiring a comment. Dinner is served! Work, travel, plans and memories shared with celebration... **life is good!**

*This latest addition to our 'Signature Collection' we have simply called the 'Folded timber table.' Add a set of our Yarra chairs and you have a suite that is both comfortable and stylish. Or choose from any of our other stunning Australian timbers and let us create your dream table.*
