

Beautiful timber tables

It's a wintry Saturday evening, dark outside and chilly. Inside, gentle trumpet riffs lift the mood. The log fire, glowing in the hearth, crackles out of time with the music. The heady aromas of slow cooked shanks mingle with the floral bouquet of the Peninsula Pinot, just opened, teasing at your senses. The family are gathering for the usual 'get together,' settling around your beautiful timber table, the natural beauty of the richly figured timber always inspiring a comment. Dinner is served! Work, travel, plans and memories shared with celebration... **life is good!**

This latest addition to our 'Signature Collection' we have simply called the 'Folded timber table.' Made as if from one single length of lusciously figured 'Hob Nail' Messmate, it is crisply mitred to form a bold and practical dining table.
