

Beautiful timber tables...

Our new 'Panel' table is the essence of simplicity. A simple square edged top is placed on flat panel pedestals set well back from the edge for maximum versatility, and all in a richly figured Australian timber.

This one, in gorgeous 'Freckled' Silver Top Ash is 2100 x 950mm, seats up to eight. Add a set of our new chairs (called the 'ceet') and you have an affordable suite that will last for generations. Choose from one of our many beautiful timbers and any size that suits your space.

JANUARY SPECIAL!
